Vendor Awarded NJPA National Contract for Recycling Solutions with Related Equipment, Accessories, Supplies and Services.

NJPA contract #020613-CEI was recently awarded by the NJPA Board of Directors under the category of "Recycling Solutions with Related Equipment, Accessories, Supplies and Services." NJPA contracts are nationally solicited, competitively bid and awarded on behalf of NJPA current and potential government and education member agencies.

Staples, MN (April 25, 2013) – National Joint Powers Alliance® (NJPA) is pleased to announce the awarding of Cascade Engineering Inc. The contract was approved by the NJPA Board of Directors on March 19, 2013, and is available nationally to NJPA Members. “As one of the largest certified “B” corporations in the world, Cascade prides itself on being a proponent of sustainable business practices” said Mark Broderick, National Municipal Sales Director. “Our Recycling Solutions, Equipment and Services contract with NJPA allows us to bring sustainable recycling products, technology, and service solutions to the NJPA membership. We look forward to partnering with NJPA members to help them identify solutions to their solid waste & recycling needs.”
